

VANCOUVER ISLAND
UNIVERSITY

Department of Anthropology

Acknowledgement of Responsibility:

I acknowledge that when I am participating in a group activity my personal behaviour reflects on the group as a whole. I will conduct myself in strict accordance with Vancouver Island University Student Conduct Code, Policy 32.05, https://isweb.viu.ca/policy_procedure/docshow.asp?doc_id=21115.

Additional information can be found here: [Learning Off-Campus](#)

I am aware and acknowledge that there are inherent risks involved with my participation in the activities of the Anthropology department.

I understand that while participating in an off-campus field trip I may be exposed to risks to my person and to my possessions that I may not be exposed to if I stayed on campus. These risks include, but are not limited to those associated with:

1. travelling off campus to various field sites by motor vehicle, and/or public transportation (i.e., bus or ferry); and
2. visiting locations where the behaviours of others may not follow a similar code of conduct.

I will take reasonable care of others and myself while involved in off-campus field trips. I will not take any unreasonable risks that might endanger my, or another's health or life. I will wear appropriate footwear and clothing.
